### Consecration Day is March 25th.

Registration deadline is February 9th.

**"Total consecration to Jesus through Mary is the quickest, easiest, surest, and most perfect way to become a Saint!"**

St. Louis DeMontfort

**"Marian consecration and a true devotion to Mary marked a turning point in my life."**

Pope St. John Paul II

**"Do not be afraid of loving Mary too much. You could never love her more than Jesus did."**

St. Maximilian Kolbe

**"Entrust yourself to Mary, cling to her, and be like her. Allow Mary to lead you deeper into the heart of Jesus."**

St. Mother Teresa

"Marian devotion is an integral part of a healthy Catholic spiritual life. I encourage anyone seeking to strengthen their relationship to Christ to do it with and through Mary using this program. It is different from other consecration programs in that it delves into explanations of why and how to live a Marian lifestyle. Even if you have consecrated yourself previously I recommend you renew your consecration, because a relationship with Mary isn't a one-time activity. I also encourage young people to register; anybody who can read and pray at an elementary level can benefit from this program." -Gabriel Castillo, Promoter of Evangelization

**Registration is \$30 per Consecration kit. One (1) kit per person is recommended.**

1 kit includes: 33 Days to Morning Glory book, retreat workbook, rosary, rosary pamphlet, consecration certificate, and medal. You may already have one or more of the items in the kit; perhaps you can consider giving that item away.
